Description

Located in Wakefield, the Eco-Odyssée Nature Park offers a unique ecotourist attraction in the world, a water labyrinth of 6 km of water canals. Eco-Odyssee also offers other activities in a walking labyrinth, as well as glamping-type accommodation, hiking trails and the brand new ice-skating activity.

Working at the Eco-Odyssée Nature Park means participating in the development of a dynamic, cheerful family business where pleasure is part of everyday life.

Responsibilities

The role of Park Ranger is to perform various manual tasks related to the general maintenance of the park's grounds and accommodations. From May to October, the position is full-time, and the main tasks include maintaining the water maze, buildings, and accommodations using various tools and machinery. From November to April, the position is part-time, and the main tasks include snow removal from the grounds and accommodations, building maintenance, and supporting the housekeeping team.

This year-round position requires residing on the Éco-Odyssée Nature Park grounds (accommodation provided) and being available on call.
